**Firefighter I & II Course**

The Cass Career Center will be conducting a Firefighter 1 and 2 course. This course will prepare students to take the Missouri Division of Fire Safety certification exams in order to become certified firefighters. Additionally, students will be trained to take the state exam in Hazardous Materials Incident Response at both the Awareness and Operations levels.

The class begins on August 23, 2016 and will be held every Tuesday and Thursday from 6:00 pm to 10:00 pm through March 18, 2017. In addition, the class will meet every other Saturday from 9:00 am to 5:00 pm. Students must be 18 years of age with a high school diploma or GED.

The cost for the class is \$1500, and students will need to purchase their own set of structural firefighting gloves and protective hood; all other protective equipment will be assigned to the students. Instructor: William Shaumeyer.

Students will receive a textbook, student note-taking guide, and a practical skill book.

For further information, please contact the Cass Career Center at (816) 380-3253 Ext. 7223.

**HEALTHCARE OCCUPATIONS**

**C.N.A. Classes**

MEDS C.N.A. Training at Cass Career Center

You must have an appointment to register for this class - registration ends 2 weeks before class starts - If self-paying you must have \$500 down at time of registration. Classes are held at Cass Career Center-most clinical sites are local. Student must be at least 18 years of age by the 1st day of class.

Registration Fee - \$950 (\$500 down at time of registration)  
Instructor - Mary LaPlant, RN  
Oct. 3 thru Dec. 12 - Monday - 8:00am-3:30pm

**Math Refresher**

Taking the ATI TEAS exam and unsure of your math abilities? This course will help you to be ready for the Math portion of the ATI TEAS exam.

Seating is limited. If you are taking the ATI TEAS exam, this course is strongly recommended. 6 classes-Held at CCC

Registration Fee - \$60  
Instructor Bill Kay

Oct. 5 thru Nov. 9 - Wednesday - 6:00-8:00pm

**LICENSED PRACTICAL NURSING**

[www.casscareercenter.com](http://www.casscareercenter.com)

Enrollment for the 2017-2018 Practical Nursing class has begun! Go to [www.casscareercenter.com](http://www.casscareercenter.com) and click on "Practical Nursing" to request an information packet. The 10 1/2 month program consists of theory classes at Cass Career Center and clinical experiences at area hospitals, nursing centers and other community agencies. Upon satisfactory completion of the program, graduates are eligible to apply to the Missouri State Board of Nursing for permission to take the licensing examination. A passing score on the exam qualifies the graduate for Licensed Practical Nursing (LPN) status in Missouri.

Financial Aid is available to qualified students. Individuals wishing to apply to the program must have a high school diploma or GED and obtain a satisfactory score on a general knowledge entrance exam. (ATI TEAS exam) A \$60 non-refundable testing fee must be submitted to reserve a testing spot for the ATI TEAS exam. Due to limited testing space and class size, potential students are advised to test early. Please go to [www.casscareercenter.com](http://www.casscareercenter.com) - choose Practical Nursing Program to download application, reference forms and sign up for the ATI TEAS exam.

Applicants must take and pass the ATI TEAS exam to be eligible for consideration to the PN program. -PRE-REGISTRATION FOR TESTING IS A MUST!!!- Exams are given at Cass Career Center. You can test 2 times, you MUST allow 21 days between tests. You will not be officially registered until we receive the testing fee. All applications, reference forms and testing must be completed by March 31, 2017.

**Medical Terminology**

This class will focus on prefixes, suffixes, root words and diagnostic procedures. We will learn anatomy and standard terminology used in healthcare settings such as physician's offices, outpatient hospitals and other care centers, as well as learning to understand medical record documentation This class is recommended, but not exclusively, for those planning to take the Medical Coding class. The class is limited to 8 students.-No discounts apply- 8 classes-Held at CCC

Registration Fee - \$90

Instructor-Holly Hilbert

Oct. 11 thru Dec. 13 (Excluding Oct. 25 and Nov. 22) - Tuesday - 6:30-8:30pm

**Medical Coding**

This class will prepare you to work in a number of healthcare settings, such as physician's offices, and other care centers, as a medical coder. In healthcare, there is a numerical code assigned to every medical procedure and diagnosis. Students will learn the fundamentals of medical coding (CPT, HCPCS, and ICD-10-CM) and dissect medical notes and charts to extract the most relevant information. We use the American Academy of Professional Coders (AAPC®) curriculum that is designed specifically by health care professionals and instructors. NO PREREQUISITES - but knowledge of Medical Terminology and Anatomy & Physiology is STRONGLY recommended. Medical Terminology is offered at CCC beginning October 18. See course description in this section. The Medical Coding course will prepare students to sit for the Certified Professional Coder (CPC®) exam. You must have an appointment to register for this class - Held at CCC

Registration Fee - \$1775 (CPC® exam, membership to AAPC® & all required books included)

Must have \$500 down at time of registration

Registration begins October 1 and ends December 15.

Instructor - Tiffany Morgan, CPC, CPCO, CPC-I, CPMA, CEMC

**ENRICHMENT**

**Butterfly & Hummingbird Gardening**

Want to attract butterflies or hummingbirds into your yard? Residential landscapes can be a great wildlife habitat. In this class, we'll talk about tips and techniques for inviting butterflies and hummingbirds into our yards and lives. We'll discuss what attracts these fluttering beauties, including what plants work the best. We'll explore options for a colorful yard with beautiful blooms that attract hummingbirds and butterflies. This is an entry level gardening class.

Registration Fee - \$20  
Instructor - Jim Braswell - Show Me Nature Photography  
October 11, 2015-Tuesday-6:30-8:30 p.m.

**Drawing Cool Stuff for Beginners**

It doesn't matter if your reason for drawing is motivated by joy or frustration because drawing is an awesome outlet! Stress can melt away in the process, when you focus on the artistic side that you may not have known you had. The goal of this class is for you to express yourself without using someone else's design and to have fun and relaxation as you tap into your creative side. You will explore expressive line drawing designs, focus on still life compositions, and even have a little fun with character drawings. Please bring necessary supplies. The following supplies may be purchased at Hobby Lobby or other arts and crafts supply stores: #2 pencil 2b, 4b, 6b; soft-lead colored pencils minimum 24 count; kneaded eraser; white eraser; micron pens-nos. .01, .02, .05; 2 black Sharpie pens-1 fine, 1 medium (not markers); 7x10 sketch book. 6 classes - Held at CCC

Registration Fee - \$60  
Instructor - Michelle Casas  
Sept. 6 thru Oct. 11 - Tuesday - 6:30-8:30pm

**Magnificent Mosaics - Glass on Glass**

In this class participants will learn basic techniques for glass on glass mosaic art. A 4x4 mosaic will be completed in the first 2 classes, using small pieces of stained glass glued to a glass base. The final class will be grouting your art. \$10 supply fee payable to the instructor the 1st night of class. 3 classes - Held at CCC
